Geauvreau received the punt in nice shape and ran it back 15 yards with the ball in the center of the field, the freshmen were penalized for offside play and a forward pass was tried. Logan got away on the goal line when they were again penalized, this time because their backs started before the ball passed. The sophomores got the ball and punted to the center of the field where the ball was when time was call-

ed at the end of the first half. In the second half several changes were made in the freshmen line-up. Clark was put in at left tackle and Walker was put in at left half, as Abbott was put out of condition in the first half. The freshmen seemed to go into this half with more spirit than they had shown but by the clever work of Captain Paquet and his team were kept from scoring. Macrae was put into the game for the last ten minutes of play. The sophomores resorted to punting to keep the ball away from their goal line. The freshmen were frequently penalized and the half ended

Real Rose Hat Pins

It does not seem possible, yet it is true, that these Hat Pins are made out of real live roses, changed entirely into metal by asscretprocess, preserving every detail of the rose from which each pin is made. They can not break, and will last forever. This discovery is without doubt one of the look arts of the ancient Egyptians. They are the most beautiful of all Hat Pins. No two are alike. Finished in five colors, to conform to the prevailing fashions in millinery. Made in six sizes, from the smallest rose bud to the full blown flower. These ping are made by the genuine "DELAMOTHE" secret process, the only process by which an open rose can be perfectly metalized. Don't buy sn inferior imitation. All genuine "DELAMOTHE Metalized Real Rose Hat Pins" have the name stamped on the pin.
